5/16/APM Chairman's report

Cllr Thompson said that this year has been a fairly quiet one for the council. There were 10 meetings during the year.

The Parish Council joined the neighbourhood plan partnership with Beccles town Council and other Parishes. Progress has been slow but the consultation with residents will begin soon. Waveney District council have begun the local development plan revue and the first element of the revue is now out for consultation details can be found on the WDC Website. The speed signs are in use and have an impact on slowing traffic speed but there is still a problem with the speed of traffic through the parishes. There have been a number of planning applications that have been considered by the Council most have been for extensions and alterations and several have been on the Ellough Industrial Estate. Graham Fisher and other members of the chapel trust have been keeping the Cemetery in good order throughout the year and we thank them for all their hard work in keeping the cemetery in good order. Cllr Thompson thanked fellow councillors for all the efforts on behalf of the residents of the parish, and also the clerk for providing support and keeping Council up to date.
