

## **SHADINGFIELD, SOTTERLEY WILLINGHAM AND ELLOUGH**

### **Joint Parish Council**

#### **Conduct of Meetings**

##### **Public Participation in Council Meetings**

Participation in the public forum A council meeting is not a public meeting, it is a meeting conducted in public. There is no requirement in law to provide a public forum.

As the council meets and makes its decisions in public and is committed to community engagement, we warmly invite members of the public, the press, the police and district, borough or county councillors to attend our meetings and contribute during the public forum.

Please respect that this is a meeting to conduct council business. Interjections are not permitted and if you disrupt business in any way you may be asked to leave. If you feel that you do not wish to take part in the public forum or if your problem is complex, you might wish to provide information to the council prior to the meeting (at least seven days if possible) using the contact details below.

Following amendments made to the law in 2014, any person attending a council (or committee) meeting can report on the proceedings of the meeting. 'Reporting' is defined as filming, photographing, audio recording, written reporting (e.g. blogging) or oral commentary (not during the meeting).

The following rules will apply to the public forum:

The agenda will indicate when the forum will take place, which will generally be early on the agenda so that councillors can take account of any views expressed. The public participation session will normally be for a maximum period of 15 minutes with an individual limit of 3 minutes which may be extended for a special pre-arrangement or at the discretion of the Chair.

Questions and comments should relate to business on the agenda and only one question on a topic will generally be received from each person and supplementary questions will be at the Chairman's discretion. No question shall be repeated within a six month period. The Chairman may direct that a written or oral response be given.

A person shall raise their hand when requesting to speak. Questions must be addressed to the Chairman and a member of the public must not speak for more than three minutes.

Members of the Public should note that their names, topic of discussion and what they say will be minuted by the clerk. These official minutes are open to view by the general public.

If a member of the public is disruptive, they will be warned, and then asked to leave the Meeting. In cases of extreme or physical disturbance where the member of the public does not leave, the meeting may be suspended and the police will be called.

## **Reports in the public forum**

The Council provides an opportunity for the police and district, borough or county councillors to present reports. An opportunity will be given to ask questions, at the council's discretion, subject to the relevant conditions above and within an overall time limit of 15 minutes.

## **Reporting at Meetings of the Council or Committees**

1. Except where members of the public have been excluded due to the confidential nature of the business, any person may film, photograph, audio record or use social media to report on meetings of the Council, or a committee, including any public participation session.

However, the Council cannot guarantee that anyone will not be filmed or photographed.
4. Any person intending to report should give notice before the commencement of the meeting to the Clerk or Chairman of the Council.
5. A notice indicating that meetings may be reported by use of filming etc. will be displayed at the meeting venue and a statement about reporting will also be included in relevant notices of meetings.

This might include:
  - Moving outside designated public areas

- Excessive noise during debate
- Intrusive lighting and use of flash photography
- Asking people to repeat for the purpose of recording

The Council reserves the right to initiate legal proceedings in appropriate circumstances.

14. The Council takes no responsibility for any recording made by others. It also takes no responsibility where a recording which it makes is subsequently used by any third party. Any third party making or editing a recording of a meeting shall in doing so be taken to have indemnified the Council against all actions, proceedings, costs, claims, demands, liabilities, losses and expenses whatsoever relating to the making or use of that recording.

15. The Council asserts no copyright or control over recordings of meetings made by itself or others whilst on Council premises, subject to paragraph 12 above.

16. Generally, archived recordings made by the Council, where retained, will be available on request.
